

JACKSON HOLE SWIMMING WAIVER AGREEMENT

I understand that I am responsible for the safety of my child up until the exact moment that their swimming lesson begins. I also understand that I am responsible for the safety of my child at the exact moment when their swimming lesson ends.

I understand that it is my responsibility to be **AWARE** when my child's lesson begins and when my child's lesson ends.

I understand that if my child is late to class it is my responsibility to find my child's teacher and to physically hand my child off to the teacher.

I understand that if my child needs to go to the restroom during the swim lesson it is my responsibility to take my child to the restroom and that during that time I realize that I am responsible for the safety of my child.

I realize that if I take my child to the restroom it is my responsibility to take my child back to his or her swimming instructor and to physically pass my child off to the swimming instructor.

I understand that use of the hot tub is a **SWIM AT YOUR OWN RISK** situation during and after swim lessons.

The facilities where swimming lessons are taught are in no way liable for any accident that may occur!

I understand that Jackson Hole Swimming L.L.C. is only responsible for my child during their swim lesson or during their swim team session.

I understand that swimming can be a dangerous activity, even while being instructed. I realize that it is important for me as a parent to be **AWARE** of the swimming lesson that my child is involved in and to **WATCH** the swim lesson.

I understand that my child is expected to stay with the instructor and group during the swim lesson and that it is not the instructor's responsibility to chase after my child. I understand that the instructor is responsible for watching all the children in the group and if one child refuses to stay with the group, I will be required to remove my child from class and I will not receive a refund for that class.

Last of all it is important to understand that the beginning of swim classes and the end of swim classes are a transitional time. It is of the utmost importance that the handing off of the child to the instructor and vice versa are treated seriously with complete attention!

3. Go to the restroom before lessons begin.
4. Blow noses well!
5. Apply sunscreen and let dry so that it doesn't wash off in the pool.
